BUT MANY OF THE OLD WAYS HAVE
CHANGED SINCE I WAS A BRAVE.

TO LOOK AT ANY THING

To look at any thing,
If you would know that thing,
You must look at it long:
To look at this green and say
'I have seen spring in these
Woods, 'will not do - you must
Be the thing you see:
You must be the dark snakes of

Stems and ferny plumes of leaves,
You must enter in
To the small silences between
The leaves,
You must take your time
And touch the very peace
They issue from.

PHIZZOG

This face you got,
This here phizzog you carry around,
You never picked it out for yourself, at all, at all - did you?
This here phizzog - somebody handed it to you - am I right?
Somebody said, "Here's yours, now go see what you can do with it."
Somebody slipped it to you and it was like a package marked:
"No goods exchanged after being taken away" -
This face you got.

DREAMS

Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.

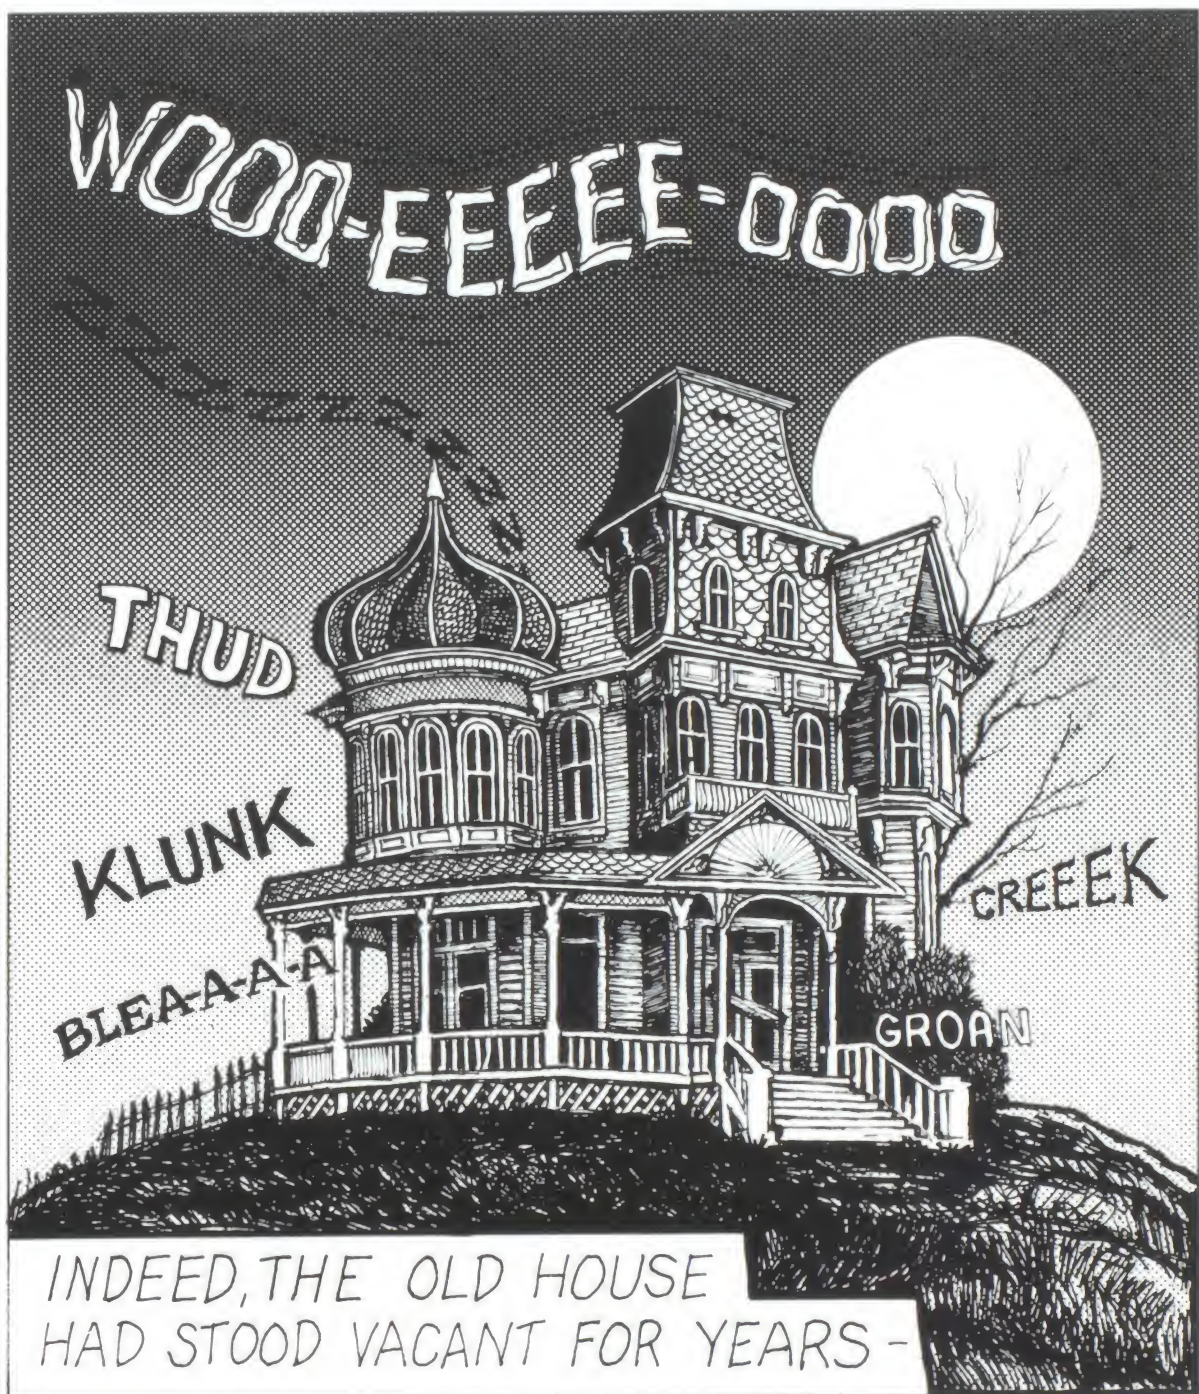

Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.

MR. EDMAN

It's over, we're done, we have but one task remaining:

To thank you for being our advisor throughout our four years. We know it was rough at times, but think of all the fun we had.

- Senior Staff

We would like to use this space in our yearbook to acknowledge the many contributions made by Mr. Dobbs and Mrs. Leischner.

During Mrs. Leischner's 16 years here, she has not only taught Home Ec. and Family Living, she has been a class sponsor, FHA sponsor, and has helped different classes with Prom, Homecoming, and other social events which have been held at this school.

IN A P P R E C I A T I O N

We would like to thank Mr. Dobbs for the help and encouragement he has given everyone during his 13 years of teaching and coaching. He is to be commended for his bravery and unwavering foot on the safety brake in the Driver's Education car during the many times when he has faced possible bodily injury.

We just wanted you to know that your work has not gone unnoticed.
